

EUROPEAN SPECIALTY CHEMICAL PLANT LIQUIDATION

REACTORS- GLASS LINED/ HASTELLOY/ STAINLESS STEEL

- 7018** 7000 liter 316 SS Sinclair stainless steel vertical agitated, jacketed reactor, 4 bar/PV @ 200 deg. C, internal, external coil jacket 15.65 bar @200 deg. C.
- 7017** 6300 liter DeDietrich agitated, jacketed glass lined reactor. 6 bar/FV @ 200 deg.C, internal and jacket
- 7032** 6399 liter DeDietrich glass lined reactor body.
- 7022** 2000 liter Hastelloy C-276 Portobello Fab agitated, jacketed vertical reactor. 10 bar/FV @305 deg. C. internal, 7 bar/FV @ 330 deg. C. jacket, New 1996
- 7003** 160 liter DeDietrich glass lined agitated and jacketed reactor, 6 bar/FV @ 200 deg C. Internal jacket
- 7004** 100 liter DeDietrich agitated, jacketed glass lined reactor, 6 bar/FV @200 deg. C. internal and jacket
- 7034** 5 liter Uder stainless steel high pressure agitated, jacketed autoclave/reactor. 300 bar @ 350 deg. C. internal. 8 bar on jacket.

FILTERS- NUTSCHE TYPE

- 7020** 2 sq. mt. Guedu stainless steel nutsche type filter dryer
- 7008** 0.78 sq. mt. Hawthernware Porcelain nutsche filter. Filter plate diameter 1000 mm
- 7009** 0.5 sq. mt. Hawthernware Porcelain nutsche type filter. Filter plate diameter 800 mm

DYERS

- 7029** 740 liter APV Pasilac carbon steel vacuum pan dryer, 1200mm diameter X 610mm deep. 1 bar/FV @ 190 deg. C. internal; 10.4 bar @ 190 deg.C. jacket
- 7027** 700 liter William Boulton stainless steel rotary vacuum dryer, 1200 mm Long X 700 mm diameter

CENTRIFUGES

- 7033** 1525 mm dia. X 455mm deep Broodbent rubberlined basket centrifuge
- 7012** 300 mm dia. X 200 mm Johnson Process stainless steel lab basket centrifuge

TANKS

- 7030** 10,000 liter stainless steel vertical storage tank, dished top and bottom
- 7031** 3,000 liter stainless steel vertical storage tank, dished top and bottom
- 7019** 2,000 liter stainless steel horizontal storage tank
- 7028** 1300 liter stainless steel vertical storage tank
- 7055** 600 liter stainless steel vertical storage tank, dished top and bottom
- 7023** 380 liter stainless steel vertical tank
- 7024** 200 liter stainless steel vertical tank (2)
- 7010** 200 liter stainless steel vertical agitated pressure tank, rated 6 bar internal
- 7011** 150 liter stainless steel vertical agitated tank

PUMPS

- 7006** 200 liter/hr @ 5 bar Bran & Lubbe type DPUDF 200/144 metering pump, 2830 RPM motor (2)
- 7015** Busch type RA0040 stainless steel vacuum-pumps
- 7026** Busch type HC0020 stainless steel vacuum-pumps

HEAT EXCHANGERS

- 7013** 5 sq. mt. stainless steel vertical shell and tube heat exchangers, rated 5 bar @ 50 deg. C. (2)

SCALES

- 7002** Avery type 3208 CO6 floor mounted platform weigh scale, ranging from 0 to 250 kg.
- 7021** Avery type weigh scale, ranging from 0 to 500 kg.
